The school was renovated a few months back

The idea of Al Khair Learning Centre is founded on 2 of UN's 17 Sustainable Development Goals (SDGs)- Goal 2: Zero Hunger and Goal 4: Quality Education

Why We Renovated Al Khair?

To upgrade the school up to the 8th standard. Before it was up to 4th.

To impart informal education to children lacking access to the formal schooling.

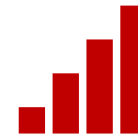

To identify and prepare children to enroll in govt. schools.

To educate the people of the area on health & sanitation through awareness programs.

To provide tailoring and stitching training for girls and women in the area.

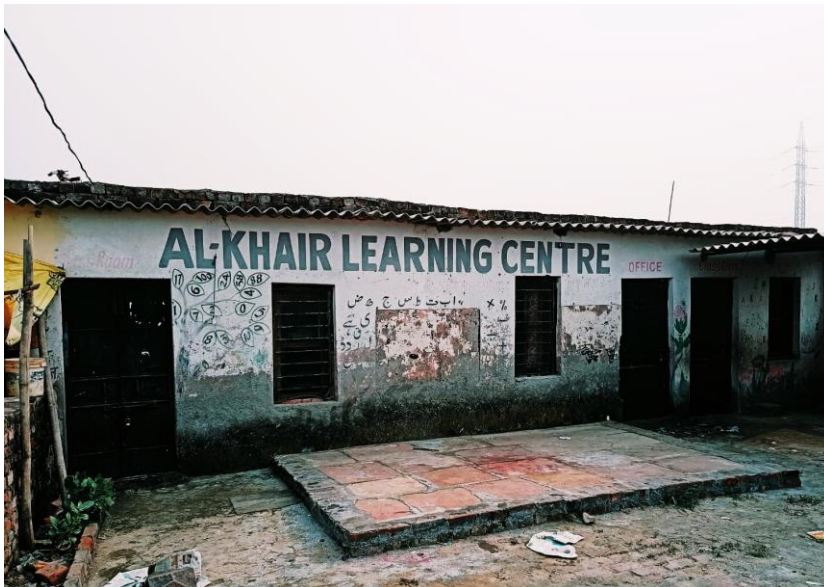

To make it as a center of transformation project of the area.

We want to make this school centre as a hub of transformation project of the area.
